PINEAL REGION TUMORS

- The diagnosis and classification can be challenging given the usually small amount of material available from this region
  - Overlap with broader tumor categories such as CNS Embryonal Tumors and Germ Cell Tumors
  - Papillary tumor of the pineal region mimics and overlaps with several other tumors and creating a multitude of histological and immunophenotypic pitfalls
  - Awareness of the histology of the pineal gland and pineal cyst are also critical in avoiding mistakes
Pineal Parenchymal Tumors
Tarik Tihan, MD, PhD
University of California
San Francisco

Germ Cell Tumors
Eyas Hattab, MD
University of Louisville

Papillary Tumor of the Pineal Region and the Differential Diagnosis of Papillary Tumors
Brent Orr, MD, PhD
St. Jude Children’s Research Hospital

Pineal Cyst, Glial and Other Rare Tumors
Hannes Vogel, MD
Stanford University

Abstract deadline: Mar 7th

More Neuropathology at the USCAP
- Interactive Microscopy: Glioma Diagnosis-2017: What Pathologists Need to Know
  Monday 3/6- 4:30-6:00pm RC Conference Room 6
- Interactive Microscopy: An approach to Intraoperative Consultation in Neuropathology
  Tuesday 3/7- 8:00-9:00am RC Conference Room 6
- Interactive Microscopy: Using the 2016 WHO Classification of CNS Tumors to Inform Molecular Testing
  Thursday 3/9- 4:30-6:00pm RC Conference Room 5
- Neuropathology Proffered Papers- Section C
  Tuesday 3/7- 1:00pm-2:45pm CC 225
- Neuropathology Evening Specialty Conference: Integrated Diagnosis, Texas Style (Bigger and Better)
  Tuesday 3/7- 7:30-9:30pm CC 303
More Neuropathology at the USCAP

- SC15- Practical Ocular Pathology for Pathologists
  Wed 3/8 8:00am-12:00pm CC 304C
- SC07- It’s not as Bad as it Looks: Pairs of Look-Alike Lesions in Surgical Neuropathology
  Wed 3/8 1:30-5:30pm CC 302AB
- SC05- The Nerve of Some Nerve Sheath Tumors! A Practical Approach to Common Problems in Surgical Pathology
  Thurs 3/9 8:00-11:30am CC 221AB
- SC56- Nerve and Muscle Biopsies: A Patient-Centered Approach for the General Pathologist
  Thurs 3/9 1:00-4:30pm CC 302AB

Important Information Regarding CME/SAMs

The Online CME/Evaluations/SAMs claim process will only be available on the USCAP website until September 30, 2017.

No claims can be processed after that date!

After September 30, 2017 you will NOT be able to obtain any CME or SAMs credits for attending this meeting.

THANK YOU
