The Current State of Thyroid Fine-Needle Aspiration: Considerations, Discussions and Conclusions

Papanicolaou Society Companion Meeting

Faculty

Tarik M. Elshiekh, MD
Jeffrey F. Krane, MD, Ph.D.
Marina N. Nikiforova, MD, FCAP
William C. Faquin, M.D., Ph.D.

Disclosure of Relevant Financial Relationships

USCAP requires that all planners (Education Committee) in a position to influence or control the content of CME disclose any relevant financial relationship WITH COMMERCIAL INTERESTS which they or their spouse/partner have, or have had, within the past 12 months, which relates to the content of this educational activity and creates a conflict of interest.
Dr. (INSERT NAME HERE) declares he/she has no conflict(s) of interest to disclose. OR Dr. (INSERT NAME HERE) declares affiliation with (INSERT AFFILIATION HERE)

The cytopathology community is saddened by the recent loss of Dr. Brian Collins. His friends and colleagues miss his expertise, his company and his tireless efforts in medical education.

Dr. Collins was a father to five children, Virginia (Gini), Laura, John, Dianne and Maria. The cytopathology community is coming together to raise funds for Dr. Collins’ children’s educational expenses. The funds are being accepted through a gofundme page assist.

https://www.gofundme.com/brian-collins-educational-fund

For additional information please contact Drs. Guliz Barkan, Daniel Kurtycz or Mary Schwartz.

Thank you.

**Awards**

Committee Members
Jennifer Brainard, M.D. (Chair)
Edmund Cibas, M.D.
Phillip Bomeisl, D.O.
Claire W. Michael, M.D.
Vinod Shidham, M.D., Ph.D.
Philippe Veilh, M.D., Ph.D.
Qing Kay Li, M.D., Ph.D.
PaoloGattuso, M.D.
Jay Wasman, MD
Aziza Nassar, MD

**Research Award**

• **First Place:**
  Zachary Dureau, Emory University
  [362] Orthopedia Homeobox (OTP) Is Preferentially Expressed in Typical Carcinoids of the Lung
  Zachary Dureau, Gabriel Sica, Cynthia Cohen, Taofeek K Owonikoko, Kristzina Z Hanley. Emory University School of Medicine, Atlanta, GA

• **Second Place:**
  Scott Bibbey, Washington University
  [342] Fluorescence In-Situ Hybridization of Thyroid Fine Needle Aspiration Biopsy Distinguishes Neoplastic and Non-Neoplastic Hurthle Cells
  Scott Bibbey, Brian Collins. Washington University in St. Louis, St. Louis, MO

• **Third Place:**
  Matthew Rosenbaum, Massachusetts General Hospital
  [438] Next Generation Sequencing Adds Value to Cytology and Fluorescence In Situ Hybridization in the Diagnosis of Bile Duct Brushing Specimens
  Matthew W Rosenbaum, Jonathan S England, Raza S Hoda, Ronald Arpin, Long Le, David G Forcione, Anthony Iafrate, Martha B Pitman. Massachusetts General Hospital, Boston, MA
The awards committee develops a list of potential candidates for the:
- Yolanda Oertel Interventional Cytopathologist Award
- L.C. Tao Educator of the Year Award
- Lifetime Achievement Award
- Between 2-4 candidates are suggested for each award
- List of candidates are submitted to the executive board for review and selection of the recipients

2016 PSC Awards Committee

- Lester J. Layfield, M.D. (Chair)
- Oscar Lin, M.D.
- Philippe Vielh, M.D., Ph.D.
- Fernando Schmitt, M.D.
- Andrea Abati, M.D.
- Dan Kurtycz, M.D.
- Jordan Reynolds, M.D.

Important Information Regarding CME/SAMs

The Online CME/Evaluations/SAMs claim process will only be available on the USCAP website until September 30, 2017.

No claims can be processed after that date!

After September 30, 2017 you will NOT be able to obtain any CME or SAMs credits for attending this meeting.
Thank you.
